

Medicaid Nurse Aide

Student Name _____

Enrollment Date _____ Academic Year _____

Emplid _____

Miscellaneous Information: Before students can register for the Medicaid Nurse Aide course (NAA 100), students need to complete the application process to Gateway. The application form is available at www.gateway.kctcs.edu or students may fill out an application at any one of the Gateway campuses. Upon successful completion of the Medicaid Nurse Aide Course with a grade of C or greater, students are eligible to take the Kentucky Nurse Aide Test (KNAT). Once the student successfully passes the KNAT test, the student's name will be placed on the Nurse Aide Registry as a State Registered Nurse Aide with the Kentucky Board of Nursing (KBN). Criminal background checks and/or toxicology tests are becoming standard requirements for employment, especially at health care facilities. Such requirements also apply to students who rotate through health care facilities as part of the required educational experiences.

Note: KRS 216.789: Prohibition against employing persons in long-term care facilities, in nursing pools providing staff to nursing faculties or in assisted-living communities, who have been convicted of a felony or a misdemeanor dealing with abuse, neglect, or exploitation of an adult.

(Students who have been convicted as stated above will not be denied entrance to any academic program unless KCTCS policy stipulates otherwise.)

Note: To become a nursing assistant in a long-term care facility, you will need to complete a three-credit course focusing on communication, infection control, safety, residents' rights, and basic nursing skills.

Note: Persons 16 years of age and older (15 years of age if emancipated) are able to apply to Gateway and enroll in the Medicaid Nurse Aide course (NAA 100).

Note: The Medicaid Nurse Aide course consists of a minimum of seventy-five (75) hours with a minimum of sixteen (16) hours of supervised practical training.

Note: The cost of the KNAT state test is \$75.00. This fee is the responsibility of the student and is not included in tuition charges. State testing guidelines are covered in the nursing assistant class.

CERTIFICATE – MEDICAID NURSE AIDE: 3 Total Credit Hours

Required Scores: None	Cr Hr	Grade
NAA 100 Nursing Assistant Skills I (or MNA 100 or NAA 125) <i>No prerequisite</i>	3	

(RELATED) CERTIFICATE – KENTUCKY MEDICATION AIDE: 5 Total Credit Hours

Required Scores: Pre-Algebra–34 / Reading–76/ Writing–NA	Cr Hr	Grade
KMA 100 Kentucky Medication Aide <i>Prereq: ((MNA 100 or NAA 100 or NAA 125) and six months of work experience as a Kentucky Medicaid Nurse Aide) or Consent of Instructor</i>	5	

Additional Employment Opportunities/Advancements: Once you are placed on the Kentucky Board of Nursing (KBN) Nurse Aide Registry as a State Registered Nurse Aide, have worked at least 6 months in the past two (2) years, and remain in good standing with the KBN, you may be eligible to enroll in the Kentucky Medication Aide (KMA 100) course, if additional enrollment requirements are met.

The purpose of the KMA course is to prepare the Medicaid Nurse Aide to administer specific medications in a long-term care facility, as delegated and supervised by a licensed nurse. Additional duties that the employer may delegate are not covered in this course (KRS 314.011 and 201KAR 20:400 Section 2).

I have reviewed this advising sheet with my advisor and understand course requirements and preferred sequence of courses necessary to complete a credential. Also, I do understand that there may be course changes with future curriculum revisions that may affect a change in course requirements listed on this sheet.
